

American Red Cross

The Disaster Action Team Basics course is meant to educate Red Cross volunteers on how to respond to local disasters, like home fires. The course covers guiding principles, items needed to respond, how to interact with the clients, and the databases used to capture client information.

The Red Cross is a not-for-profit organization that depends on volunteers and the generosity of the American public to perform its mission.

Want to learn how to help families after a home fire? Come learn how to be part of the **Disaster Action Team** for Tooele County.
