In a disaster donations can become overwhelming. While monetary donations are always best, supplies are still needed with a management system and plan, which are best practices for Donations Management during a disaster. Come learn how to help with the donations management plan for disasters in Tooele County.

## HOW TO HELP AFTER A DISASTER

*The best way to help is with  
CASH DONATIONS to  
TRUSTED ORGANIZATIONS.*

- Cash is efficient, flexible to use, and requires no packaging or transport.
- Trusted organizations will ensure your money goes to help those in need.
