Public Assistance (PA) / Individual Assistance (IA) Preliminary Damage Assessment (PDA)

Training

FEMA is conducting Preliminary Damage Assessment (PDA) training for the Public Assistance (PA) and Individual Assistance (IA) programs applicable on both the state and local levels.

When: June 30, 2016

Time: 8:00 AM - 12:00 PM (4 hours)

Where: Utah State Capitol Complex, East Senate Building, Spruce Room

About: This course will cover FEMA's new Preliminary Damage Assessment (PDA) manual and will go over the new requirements and responsibilities for state and local governments and discuss any changes from previous PDA methods.

How: Please sign up on U-TRAIN. U-TRAIN ID is 1063886. Please contact Brad Bartholomew

(bbart@utah.gov) for questions.

- b. State Fire Marshal Liaison- Richard Mosley
 - i. Would like to conduct a commodity flow study in our County. It will be from noon to noon and include a couple members of the LEPC. Proposed August 31st for study at noon, concluding at noon Sept 1st.
 - ii. Would be willing to come out and do an ERG class if needed in our county.
8. Upcoming Meetings
 - a. Tooele County Council of Governments (COG)- June 30th at 1PM (Dispatch Service Dist)
 - i. An assessment is going on the county right now for Dispatch. Fees are going up and there is a question if a special service district would be better for Dispatch. Our dispatch center services 48 different agencies.
9. Reports/ Action- Old Business
10. Training Opportunities
 - a. Check www.tocem.org- www.tooelelepc.org www.DEM.Utah.Gov and UTRAIN
 - b. Basic PIO Training Aug 10th-11th at Tooele EOC
 - c. Monthly WEB EOC Trainings
11. Roundtable
 - a. Jay Vance- Stericycle- They have gone thru the public comment period. 350 comments in detail were received. They have not been notified how long that will take to go thru all the comments and answer them. Waiting for that process on the air permit. Solid waste draft permit has been received. 32 pages of comments. Technical regulatory person is done with their review and now its waiting for another assessment. They are to move to their new facility 3 years following approval to construct. Once the permit is done they will do design and then construction. Then drinking water permits will be needed.
 - b. David Hess- Hill Air Force Base- Air Show was well attended last weekend. Security required bag checks and no coolers. They had to use shuttle parking. Frontrunner ran for them on Sunday.
 - c. Scott McKenzie= TCHD- continuing the Community Health Assessment right now.
 - d. Bucky Whitehouse- TCEM- went over a summary sheet of notification procedures during a release. SR112 will have a stoplight at the intersection for the Industrial Center. National Night Out Against Crime will be Aug 2nd at Deseret Peak.
12. JULY MEETING CANCELLED. Jay Vance made motion to cancel July LEPC meeting. Terry Christensen seconded. All in favor.
13. Next Meeting Proposed- August 30th at 13:30
14. Adourn
