12. Training Opportunities
- a. Check www.tcem.org – www.tooelelepc.org www.DEM.Utah.Gov and UTRAIN
13. **Roundtable**
- a. UTTR- working with dispatch on automatic aid. The US Navy is adding a railhead that will come in back side of UTTR. 2 yr project for railroad contractors. Will bring a lot of traffic and civilian entities. They have a lot of helicopter units coming out. They will be more involved in coordinating.
 - b. Joe Hatch- In June on the property that belongs to Union pacific they installed a gate on road. Utilities all have access. They had a pole on fire on that property and NTFD had trouble getting in to property. They have installed a knox box for emergency response.
 - c. Scott Johnson- Morton Salt- They will be making some changes to equipment at the plant.
 - d. Phil Langhus- Emergency Action Plan was just signed. It is for official use only. Airshow is in planning stages for 2018.
 - e. Enviro Care- Their hazmat team is eager to help.
 - f. Shar Manzione- Vernon Fire- Prospector trail will have changes in the mapping. Trail riders are not allowed in Vernon township area any longer. New maps are out.
 - g. Scott McKenzie- TCHD- They are completing their revision of the all hazards plan. A link will be sent out for review and will look for LEPC endorsement at July 26th meeting.
 - h. Robin Frederickson- CERT- meeting July 29th. Register online.
 - i. Bucky Whitehouse- TCEM- Emergency Management is looking to host an EMT class at the EOC.
