16. Roundtable

- a. Glenn Reinicke- MWMC- they did a drill for the Shakeout. It went well. They used local radios, tested Alertsense and had a liaison in the EOC.
- b. Joe Carnell- EMS- GPS quickest route programming- County is working on getting that set up. It will provide them a way to respond quicker. Still working on troubleshooting. Stop the Bleed campaign might be a good tie in to keep the AED registry updated in dispatch. That paperwork will be added into business licenses. The form will be attached to the minutes.
- c. Steve Griffith- TEAD- the conducted an exercise. He attended the Alert 2 training. That is the program where they send EMT's in with officers when needed.
- d. Kara Mae- TCDH- They performed a reunification drill at North Lake Elem for the Shakeout. It went well. They are doing a law enforcement training with virtual reality for school shootings. They are making sure they have multiple ways to get into buildings for first responders.

- e. Bryan Slade- TCHD- Household hazardous waste day May 5th at Clean Harbors Bldg. go to <http://tooelehealth.org/clean-house-household-hazardous-waste/>
