5. **Presentation – Savage Bros. Transloading Facility Product additions**

- a. Mike Atherley gave presentation for Savage Bros Transloading Facility
  - i. They will be bringing in ethanol as a new product to be used in the making of hand sanitizer.
  - ii. They have 25 shortline terminals.
  - iii. All are welcome to the facility for a site visit. Possibly in October for the LEPC.

6. **Presentation / Discussion - Coronavirus Response**

- a. March 17, 2020 the pandemic was declared. Please visit [coronavirus.utah.gov](https://coronavirus.utah.gov) to follow case counts and other information. Please stay diligent in social distancing and other precautions. Tooele County is currently in the yellow phase.

7. **Discussion – 5.7 Utah Earthquake Response**

- a. March 18<sup>th</sup> was a 5.7 earthquake. Please visit [quake.utah.edu](https://quake.utah.edu) for more information. The EOC was activated and has continued to monitor and report earthquake findings to FEMA. The county did not qualify for federal assistance for the earthquake.

8. **Reports/Action- Local Incident Briefs**

- a. Tooele County Wildfire status for June

- i. 237 wildfires in the state of Utah by the end of May. We are way ahead of wildfire rates this year compared to last year.
    - ii. Humans have caused 95% of fire this year in Utah.
    - iii. Soils and fuels are dry.
    - iv. You can find fire work restriction information at [www.tooelewildfire.org](http://www.tooelewildfire.org)
  - b. Tooele City Water Contamination
    - i. The lock was cut off the water tank at Cassidy Lane. Water samples were sent to the lab and all the results came back All Clear.
  - c. North Tooele Fire dealt with several semi rollovers in the last couple months. They required some light clean up from their department.
  - d. Grass Fire in the area of Clean Harbors
    - i. Grass fire started near the rail line and moved toward the plant. They were supported by other agencies. They were able to widen the lines to create a larger fire break. They got it stopped pretty quickly.
  - e. Resident reported finding mercury in a house in Tooele City. Tooele City Fire collected it and is working with the health dept to dispose of it.

## 9. Upcoming Meetings-Exercises

- a. Household hazardous waste collection day
  - i. The Health Dept is trying to schedule a collection day but at the soonest it would be in the fall. Not sure if it will happen this year.
- b. Protest/ Demonstration planned for Tooele City
  - i. The event will occur Friday at 6 pm, it will follow a route near the Tooele City Park. The police dept has officer response planned. The city has been actively working with the organizer and they expect it to be peaceful.

## 10. State Reports:

- a. State Fire Marshal Liaison – Richard Moseley
  - i. Emergency Response Guidebook for 2020 has been delayed. They will send them out as quickly as possible.
    - 1. Bucky added that PEAC software is available for hazmat response.
- b. UDEM – Tara Behunin/Cameron Kirkham.
  - i. Cameron Kirkham is the new region 2 liaison. The state is at a level 1 activation for COVID 19 response. There is a CERT meeting June 25<sup>th</sup> at noon.

## 11. Training Opportunities

- a. **Check the Utah State Fire Marshalls website on Eventbrite.**
- b. Check [www.tcem.org](http://www.tcem.org) – [www.tooelelepc.org](http://www.tooelelepc.org) [www.DEM.Utah.Gov](http://www.DEM.Utah.Gov) and UTRAIN

## 12. Reports/Action - Old Business

## 13. Roundtable

- a. Morgan Funk- Redcross- They are trying to integrate and engage in their new virtual environment. There new most common form of sheltering will be non-congregant sheltering involving hotels and motels. There are still volunteer opportunities available.
- b. Tracy Frailey- TCHD- Go back to the basics, wash your hands, social distance etc.

- c. Chief Willden- NTFD- They have a small producer working on hand sanitizer they are working with for storage requirements. The State of Utah released a list of hand sanitizers that contain toxic materials. Please go to [www](http://www).
- d. Sharleen Manzione- Vernon Fire- Heavy duty road construction on SR 36 on the south end. MP 18-28.
- e. Tracy Alexander- Wendover Amb- the casinos are now open, uptick in call volume.
- f. Eric Grange- Clean Harbors- They are very involved with COVID clean up. They are hiring. Their facility has achieved an OSHA VPP (voluntary participation program) star status. Quite an achievement. They are the 10<sup>th</sup> in the State to acquire that.

14. **Next Meeting**

- a. July 29<sup>th</sup> at 1:30 in person. Virtual option will be available.

15. **Adjourn**
